

# Diamonds & Dreams

## Celebrating The Shining Accomplishments of Women

For six years we have held an event celebrating women, their accomplishments and their dreams. We hope you can join us June 8th in Tulsa at Diamonds & Dreams for a fun evening of networking, celebration and inspiration from our wonderful featured speaker.

We are proud to have Emmy-winning TV journalist Cindy Morrison as our featured speaker! Cindy teaches everyone from Reality TV Stars to Country Music Stars and Corporate CEO to National Franchises how to strategically use social media to build brand loyalty, raving fans and their bottom line. Cindy is currently part of a social media team for Entertainment Tonight and her social media savvy has been highlighted nationally on FOX News, CBS's "The Talk", The Washington Post, The New York Post & The Huffington Post. Prior to running her own business, Cindy spent 20 years as a TV News Anchor and Investigative Reporter winning an Emmy, Peabody and Gracie Allen Award.

*"Diamonds & Dreams presents a unique opportunity for emerging and seasoned entrepreneurs to come together for a night of networking, fun and socializing while supporting REI and women in business. A great evening!"* Lesa Crowe
