

B-2026-03: AllRegs Library Access

January 8, 2026

- Housing Finance Agencies (HFA)

Summary

In October, AllRegs® by ICE Mortgage Technology® implemented updates to the sign-in process for all users. Users are now required to enter an access code the first time they log into AllRegs. To access U.S. Bank guidelines, this will occur once per week, regardless of which day of the week the first login takes place.

Users accessing AllRegs directly from **Lender Portal** will receive an email with an 8-digit access code, which must be entered within 10-minutes to access the system. This code is single-use and provides an additional layer of security and protection against piracy.
